

CLOSING OUT THE PARTY

(Go over and POST what you would normally use as a closing sheet.)

Ask them to comment - "SOLD" on what items or sets they would like"

Thank you all so much for joining me today! I'm going to go back through the comments and will be creating your invoices to text to you. Remember that you can buy with confidence because Mary Kay always offers a 100% guarantee. That's one of the many reasons women LOVE our brand!

I will be personally reaching out to each of you to find out how your experience was, so if you have questions or need more information, I'd be happy to discuss when we chat!
